For credit card charges please refer to your Barclaycard Terms and Conditions.

Debit card charges

Purchases and cash withdrawals overseas are converted into sterling at the exchange rate based on rates set by Visa on the date the amount is debited to your account.

A 2.75% charge for Barclays handling costs and any Visa processing fees is included in the sterling conversion shown on your statement and applies to all foreign transactions.

There is an additional 2% transaction charge (minimum £1.50, maximum £4.50) if you withdraw cash overseas via a cash machine or in a bank, except Barclays cash machines or those within the Global Alliance. If you use a cash machine outside the Global Alliance, you may also incur an additional service charge on top.

There is a 2% transaction charge (minimum £1.50, maximum £4.50) if you use your card in the UK to obtain sterling anywhere other than a cash machine or Barclays branch (or Barclays Wealth International Banking Centre).

³Please refer to the sections below on Debit card charges and Deferred Debit Card charges for further details on using your Barclays Connect, Connect (Electronic), US dollar or euro Deferred Debit card in the UK and other countries.

⁴Some branches may require advance notice if you request cash over the counter which is above your daily cash machine withdrawal limit.

⁵Barclays will not charge you for using your Connect card in any UK cash machine. Other companies may make a charge but they must tell you on-screen before you commit to any transaction. This relates to sterling transactions within the UK, Channel Islands, Isle of Man and Gibraltar only.

For credit card charges please refer to your Barclaycard Terms and Conditions.

Deferred Debit card charges

Using your US dollar or euro Deferred Debit Card in the UK and other countries

When you pay for something or withdraw cash in any currency other than the currency of your card, we convert your transaction into the currency of your card.

The amount you are debited includes a charge of 2.99% of the amount of the transaction in respect of Barclays handling costs and the Visa processing fee.

When you withdraw money at a cash machine or over a bank counter in any currency, a fee of 2% of the amount of the transaction (minimum \$5/€5) is also charged to your account.

This fee is in addition to the handling costs and processing fee. The value of any charges incurred will be shown in full on your monthly Deferred Debit card statement.

Overdrafts, Personal Reserve and other related charges

Overdrafts

Each overdraft application is considered on an individual basis. If you have agreed your overdraft with us in advance you will only pay interest at the authorised rate on the overdrawn balance.

You can overdraw up to an agreed limit at any time but you should not be permanently overdrawn by the whole amount.

Personal Reserve

A Personal Reserve is available to personal sterling bank account holders, subject to status. We are entitled to withdraw your Reserve at any time and require you to re-pay the amount outstanding under it.

It's designed to prevent transactions being returned unpaid when you have either exceeded your agreed overdraft limit or you go overdrawn without an agreed overdraft limit.

The Personal Reserve does not change your agreed overdraft limit and any applicable interest is still incurred on overdraft balances, even if you don't make payments up to the amount of your Reserve.

Reserve Usage Fee

No interest is applied on the balance within your Reserve. A Reserve Usage Fee of £22.00 will be charged when your balance, as at the end of the working day, goes into your Reserve – exceeding the limit of your overdraft by more than £1.00 or, if you do not have an overdraft, by going overdrawn by more than £1.00.

When you incur a Reserve Usage Fee you will be entitled to make payments or withdrawals up to the limit of your Reserve for five consecutive working days*, starting with the day you go into your Reserve, without incurring a further Reserve Usage Fee. After the end of the five working day period, you will incur a further Reserve Usage Fee on the next working day that your balance as at the end of the working day is in your Reserve. Further Reserve Usage Fees will be charged, on the same basis, for any subsequent five working day period.

Returned Transaction Fee

A Returned Transaction Fee of £8.00 per item is incurred when a transaction is returned unpaid because there are insufficient funds in your account, including any agreed overdraft and/or Reserve Limit.

Guaranteed Transaction Fee

Where a payment is guaranteed (for example, a cheque backed by a cheque guarantee card) but it results in you going overdrawn or exceeding your overdraft limit and/or Reserve Limit, we'll make the payment for you.

You will incur a Guaranteed Transaction Fee of £8.00 for each transaction.

* A 'working' day for the purposes of calculating the five working day period for the Reserve Usage Fee is any week day that is not a public holiday in England.

Other information

Charging dates (applicable to personal sterling bank accounts)

We will apply our fees and interest charges to sterling bank accounts as follows:

- Debit interest is calculated on the daily statement balance.
- A Reserve Usage Fee is incurred on the next working day after the payment that triggers this fee is presented for payment.
- Returned Transaction Fees/Guaranteed Transaction Fees are incurred the day an item is returned/paid.
- We will write to you each time you incur a Reserve Usage Fee, Returned Transaction fee or Guaranteed Transaction Fee and we will tell you the value of the fee/s incurred.
- You will be notified of any debit interest, Reserve Usage Fees, Returned Transaction Fees or Guaranteed Transaction Fees that you incur during a month in your next monthly statement.
- The monthly charging period always closes two days before the statement issue date.
- You will be given at least 14 days from the date of your statement before any debit interest and/or any Reserve Usage Fees, Returned Transaction Fees or Guaranteed Transaction Fees that you have incurred during the preceding month are debited from your bank account.
- Any debit interest and/or Reserve Usage Fees, Returned Transaction Fees or Guaranteed Transaction Fees that you incur during a month will be debited from your bank account within 21 days from the date of the statement notifying you that any such interest or fees have been incurred.

Barclays is a responsible lender, and when considering your application for borrowing, your financial circumstances will be appraised. Remember, should you run into any difficulties please contact us immediately. For all credit facilities a written quotation can be requested from your Barclays Wealth International Banking Centre.

Cheque clearing

What is the cheque clearing cycle and how long does it take?

When you pay a cheque into your account it has to be sent to the drawer's bank for payment, for that bank to decide if it will honour the cheque. It may not if, for example, the person who gave you the cheque hasn't enough money in their account. This process is known as the central cheque clearing cycle and normally takes three working days.

We also need to allow extra days for an unpaid cheque to be returned. The chart below will help you understand when cash and cheques paid into your account start to earn interest and become available for withdrawal, although this does not necessarily mean the cheque has been paid by the bank on which it is drawn. The chart also shows when you can be certain that the funds will not be reclaimed from your account as a result of the cheque being returned unpaid. (See the reference to unpaid cheques on page 19).

Cheque clearing cycle	Cash paid in at any Barclays branch	Cheque paid in at any Barclays branch
Day paid in	Day 0 e.g. Monday	Day 0 e.g. Monday
Interest starts to be earned on savings accounts	Day 0 e.g. Monday	Day 0 e.g. Monday
Interest starts to be earned on current accounts	Day 0 e.g. Monday	Day 2 e.g. Wednesday
Available to withdraw at a cash machine (after 1am) or any Barclays branch	Immediately	Day 4 e.g. Friday
Certainty of funds	Immediately	Close of day 6 e.g. Tuesday ⁹

This chart applies to sterling cheques drawn and deposited in the UK.

Please note: Many branches have a cut-off time, after which cheques paid are processed the following working day. Cut-off times are available in branches. You don't have to wait for the cheque to clear before you use the money. If you are sure a cheque won't be returned unpaid, you can start drawing against it from the day it's paid into your bank account using our Instant Access service. This service is subject to limit and status.

⁹Funds will not be debited from your account as a result of the cheque being returned unpaid later than this day. As Barclays processes payments overnight, you will know at the start of business on day 7 whether or not the cheque has been paid.

The days refer to working days, which are Monday to Friday (excluding bank holidays).

Please note: Days which are only bank holidays in Scotland are treated as working days for cheque clearing purposes throughout the UK. However, for cheques deposited in Northern Ireland, days which are bank holidays in Northern Ireland are not treated as working days. Available funds can be withdrawn on a Saturday or Sunday, either from branches which are open or from cash machines.

Direct debits

A direct debit is an instruction from a client to their bank or building society authorising an organisation to collect varying amounts from their account, as long as the client has been given advance notice of the collection amounts and dates.

Direct debits are used for collecting a variety of regular and occasional bills, including utility payments, insurance, council tax, mortgages, loans and subscriptions. The Direct Debit Scheme protects you and your money by means of the Direct Debit Guarantee.

This Guarantee is offered by all banks and building societies that take part in the Direct Debit Scheme. The efficiency and security of the Scheme is monitored and protected by your own bank or building society. If the amounts to be paid by direct debit or the payment dates change, the organisation collecting the payment will notify you normally ten working days in advance of your account being debited or as otherwise agreed. If an error is made by the company or your bank or building society, you are guaranteed a full and immediate refund from your branch of the amount paid. You can cancel a direct debit at any time by writing to your bank or building society. Please also send a copy of your letter to the originator/company. Further information can be obtained from **www.directdebit.co.uk**

Faster payments (FPS)

Faster Payments is an electronic payments clearing scheme for sterling payments in the UK. It will allow participating banks to provide their customers with a service to send low value electronic payments that will reach beneficiaries' accounts the same day, with the majority of payments being completed within 2 hours. Faster Payments will run alongside existing payment schemes in the UK such as BACS and CHAPS and will operate 24 hours a day, 7 days a week, and 365 days a year.

The scheme is available within Barclays Wealth for telephone, internet, written, faxed and face-to-face payment instructions. The single payment limit will allow payments up to a maximum £10,000 and for Standing Orders up to a maximum value of £100,000.

- Where the receiving organisation operates on a collection account basis e.g. credit card accounts or utility companies, the payment may not be credited to a specific account on the same day.

Participating Banks are Abbey, Alliance & Leicester, Barclays, Citi Group, Co-operative Bank, Danske Bank, HBOS, HSBC, Lloyds TSB, National Australia Group, Nationwide, Northern Rock and RBS.

Standing orders

With a standing order you make the request for a regular payment, rather than the organisation taking the payment. If you want to amend or cancel your original instruction you can do so at any time by contacting us up to the business day before the payment is due to be taken from your account. Payments made by standing order will normally arrive the same day if a Barclay's account is being paid. Payments to other banks or building societies within the UK normally take three working days.

Unpaid cheques

If a cheque is returned unpaid, the value of it will be debited from your account even if you have withdrawn the money in the meantime. However, you can be certain that an unpaid cheque will not be debited from your account later than six working days after deposit without your permission or unless there is a suspicion that a fraud has been committed. Therefore, from Day 0 when you pay in a cheque, the bank on which it is drawn has the following six working days to be able to return it unpaid.

Building Society cheques are treated like any other cheque and take the same amount of time to clear. They can also be returned unpaid for a variety of reasons.

If you pay in cash or cheques at another bank to your Barclays Wealth account (for example on a Monday), the timetable commences from the day that the credit is in your account. Ordinarily, and in this example, this will be on Wednesday. In these instances, we will pay interest on Wednesday too, and the funds are available to withdraw on the following Monday. Funds will not be debited from your account as a result of a cheque being returned unpaid later than the following Thursday.

If you pay in cash or cheques at the Post Office to your Barclays Wealth account, it takes two working days longer to process them than if you paid them in at a Barclay's branch; so it takes two days longer than shown in the chart.

If you need the cheque to clear faster, hand the cheque to a cashier at any branch of Barclays and ask to use the Direct Presentations service. We will send the cheque by Royal Mail Special Delivery (Next Day service) to the drawer's bank for payment. Usually it takes up to two additional working days for the drawer's bank to confirm whether the cheque is paid, and we will telephone you to inform you of the decision. For example, a cheque paid in on a Monday will normally be confirmed as paid (or not paid) by 5pm on Wednesday.
